Whether you want to contradict, confirm, compliment, or complain, we want to hear from you.

The DENTASA Awards

The Dental Technology Association of South Africa annually recognizes individuals and companies who have made contributions to DENTASA and the

Award winners will be selected by the DENTASA Awards Committee and invited to the DENTASA AGM, where they will be presented with their awards during the Awards Presentation Dinner.

We are looking for nominations in the following categories:

- Merit Awards for Outstanding Achievement
