### Medi-Cross Update

DENTASA got more legal advice yesterday regarding the Medi-cross contract and our general manner of doing business. Do not sign the Medi-cross contract.

We were advised that it is of vital importance that we up our game and be far more professional in our dealings with our clients.

Our legal team will draw up contracts to guide us in our negotiations with our clients and institutions like Medi-cross. It will be fool hardy to carry on doing business without a signed contract.

Our first attempt to negotiate with SADA was unsuccessful. Now that we have got new legal documentation, we will try to open new negotiations with SADA regarding payments to contractors.

You will be kept up to date regularly via E-Alerts, please check your Inbox frequently.

Thank you to everyone who has made a suggestion to name our magazine. We have entered all your suggestions in our competition box.
